12/14/18	Russia B – Switzerland	5	1	Lucerne Cup In Lucerne, Switzerland

History

Switzerland became a member of the International Ice Hockey Federation on November 23, 1908

As of 2014 the Swiss team was ranked 7th in the world by the IIHF. From a bronze medal at the 1953 World Championships until the silver medal of 2013, Switzerland did not win a medal at a major senior ice hockey tournament, coming close in 1998, when they finished in 4th place at the World Championships.

Before the 2013 IIHF World Championship, the Swiss national hockey team scored two historic upsets at the 2006 Olympic Games in Turin, Italy, defeating the Czech Republic (3-2) and shutting out Canada (2-0) two days later. They finally to Sweden in the quarter-finals.

At the 2010 Olympic Games in Vancouver, Canada the Swiss nearly stunned Canada again in round-robin play, taking the heavily favored Canadians to a shootout, which they lost 1-0 for a narrow 3-2 loss.
